

As many of you already know, Frank Kimmel has resigned as Director of the Central Division effective by January 31. Barbara has also resigned as Secretary. Frank brought new leadership to the Central Division and took us from just having train meets and participating in train shows, to all that plus some very noteworthy community service projects. Thanks to his drive and persistence, he put the Central Division in the black financially once again. They both will be missed as board members, but they will continue their membership in FGRS.

The Central Board has appointed Vic Gilbert as the interim Director until elections can be held and tallied to fill the vacancies. The board has made the following nominations:

Director- Betty Gilbert  
Secretary-Vic Gilbert  
Board Member- George Sheldon

Additional nominations can be made to Kerry Keehn, 1229 Gema Place, Winter Springs, FL 32708; Phone: (407)366-0858; e-mail: kkeehn@cfl.rr.com Please remember that those nominated should agree to serve if elected before their nominations are made. Nominations can also be made at Harry and Nancy Halbert's meet, February 23, 2007, at which time the nominations will be closed. If there is a contested election, ballots will be mailed to the membership with appropriate instructions.

Thanks,

Victor Gilbert
