Steam has returned to Mt. Dora for a limited time (three weeks)! It's really too late, I guess, to arrange anything group wise, but some people might want to take the ride. If you think it's an idea, maybe you could just send on the info as a web News Flash and let those interested make their own arrangements. This is a quote from the paper:

Hour long trips will begin at 10AM, noon, 2PM, and 4 PM on Friday, Saturday and Sunday and March 7, 8, 9, 14, 15 and 16 at the Mt. Dora Station at 150 W. Third Ave. Tickets are \$16. For reservations or for more information. call 352-589-4300.

This article just showed up in today's Lake Sentinel. I'd advise those interested to contact the Mount Dora Station directly per above phone number.
